Archie is my name.

But that's not important.

I have suffered so much.

I've lost everything.

I can't take it anymore.

The noose is around my neck.

The chair rattles.

I close my eyes.

It's time.

I was about to give the final blow to free myself from this cruel world
when a voice screams in my head.

<ARCHIE, DON'T DO IT!>

I know that voice.

It's Marco's.

Wait... Marco, the guy I have a crush on?

Marco, the guy who's always ignored me?

MARCO HAS PSYCHIC POWERS!!!

How is this possible?

I open my eyes.

I see him running towards me.

His eyes are filled with panic and fright.

But that's not important.

I have made my choice.

I knock over the chair.

I choke quickly.

Marco watches me die, powerless.

It turns out that he possesses telepathy as a gift, not telekinesis.
